

National Highways Control Room Trainer

Reports To: Contract Manager

Job Overview: To teach new traffic officers the motorway management systems in a regional motorway control room.

Key Deliverables:

- To ensure recruit competence on safety critical motorway management systems
- To follow detailed training plans to ensure compliance with operating standards
- To become familiar with IT systems utilised in a control room environment

Qualifications:

Mandatory

- Confident in the use of Microsoft Office products
- Have good knowledge of UK driving and network standards
- Accurate and good attention to detail with written work

Desirable

- Any previous control room or telephony-based experience will be useful
- Ability to be able to travel and stay away from home if required
- Course durations can be up to fourteen days in length

Work locations Warrington and Wakefield

National Highways rates of pay are £20.5 per day plus mileage and expenses, effective from 1st February 2023.
